INVETERATE smokers do very droll "Do you know the exact date of Mr. Indigs. The famous Bishop Burnet, Parsons' death?" I asked, when we had like many authors of later days, was smoked while he was writing. In order "Yes," said George; "it was the 23d to combine the two operations with due of December. His daughter received a telegram from her consin announcing through the broad brim of his large but, the not the same day. But why do you and putting this long pipe through it puffed and wrote, and wrote and puffed, "I have a reason which may or may with philosophical calmness. not prove a good one," I returned. Stat-

who wears four bullets made into the my friend, promising to meet him on form of a Malteso cross, which were extracted from the bodies of her inther Next afternoon found me in the office and brother who were killed in the siege of Richmond.

ONE HUNDRED YEARS AGO.

One hundred and ten years ago, says the San Francisco Bulletin, there was Rev. John McGill, D. D., Bishop of the following: not a single white man in Kentucky, Riehmond, Virginia, who departed this

world. A hundred years ago there were thacs during his long and eminent and railroads and telegraphs had not his purty and learning, and reputation entered into the remotest conception of as an effective and logical preacher, men. When we come to look back at if won him many warm friends and admirthrough the vista of history, we find cra. Returning, after his first trip that to the century just past has been alread, he entered on missionary duties abolfed more important events in their at Bardstown, as the co-laborer of the bearing upon the happiness of the Rev. Martin John Spaulding, the present world, than almost any other which has Archbishop of the American Church, clapsed since the creation, KRIPP's great iron works at Essen,

ermany, cover merely eight square miles, and one and a half miles are under ouf. They furnish employment for to,-600 men, who do their work under a discipline as strict as that of the military provided. Castings weighing forty tons he arrived at Richmond, and assumed have been made several times in these, the daties of History; and at that post every-day sights. There are furty-nine life, laboring with marked zeal and abilhammers in the works, of which four or fifteen tons, and a large number five hammers is a wonder, and it cost \$500,-80. Its foundations are one hundred feet deep, consisting of three tiers-the first constructed of solid masonry, the His face grew livid. His frame only- second of the heaviest and stontest oaks

erred with mingled fear and rage, and to be found in all termany, and the bis eyes gleamed like these of a wild blirt of cylindrical segments of east from upon which the anvil block rests, The head of the hammer weighs fifty Vanderbill had grown jealons of Fisk tons. Its face is of steel, and in making and determined to crush him, The ed, in a voice hoarse with suppressed it, after the the steel had been cast, and while it was molten, east iron was pour- would be by destroying the basiness of

ed into it from the back. Everything that belongs to it, and to the engine view, he issued an order, lowering the that operates it, is in duplicate and trip rates of freight from Chicago, and licate. Four steam cranes serve it, and asked Eric to do likewise. Fish assentare each tested to bear two lumdred ingots, which are the largest cast. In and at small cost. By special agree-1580 sixty-one thousand tons of sice were turned out from these works.

His Lungs.—Mr. Eli Hampsted died a short time since in New Haven from a most singular cause. Some years ago on the Central Railroad for eattle would he was attacked with insanity, and was be \$1 50 a head instead of \$4. He exsent to the Insane Retreat in that city. While there he pushed a watch-key up his nose and after his recovery in- made no alteration in the rate of the formed his physicians what he had Eric road, but quietly directed his agent done. An effort was made to get it out in the West to parchase 10,000 head of without spacess. He left the Retreat, cattle, and send them by Vanderbilt's and nothing further was done to re- route. The cattle were soon purchased, he was attacked with a sharp pain at the lower part of the right lung. He suffered from it for some time, when it massed away, and for two years he conjoyed good health. A few weeks aga he went to New Haven with an invoice of Fish cleared \$100,000 by this transaction direct from the Contral, and the pines except a rambling heat the rates were raised to those of the rates were raised to those of the rate were raised to those o of produce, and while engaged in lift. But this was not the full extent of the was the ready range. "In it isn't past-mortem examination, when they found the key imbedded in the lower part of the lang, and surrounded by a tures the people who take Eastern Jour-hamp in a state of mortification. The

key had dropped out of the nose through the windpipe into the hing, and bad remained there over four years, WENDELL PHILLIPS, in his lecture on "Street Life in Europe," the other night, gave one little instance of street life in America. Thackeray, on his visit here, many years ago, was auxious

Thackeray was delighted and determinstrode with his manly, sweeping gail, carrying that ever-present benignancy Boy" and remarked, very innocently, 'Sir-excuse me-but I would like to go A LADY not long since visiting a to Broadway," The "Boy" returned little daughter, observed on one of the and replied, "Well, why in - don't His Object.-A ductor was called

nently asks the Lancaster Ditelligencer.

RELIC OF SOLOMON'S TEMPLE, -A valuable relic of antiquity has lately been discovered in the grounds of the Russian palgrim's monastery outside the walls of Jerusalem. It is a monolith cut out of a single block, and only half complete. From a description in the history of Flavius Josephus, it is believed to be a column intended for the decoration of the succest Temple of Solomon; but that, as the column split while it was being worked, it was loft unfinished, the lower part of it remain-

versation, and he, stepping forward and PHD National Standard thinks the partisan unfriendliness to the P
